

I Got Your Creepy Right Here.

So Fox News.com has gone with this as headline news:

It's a video of some little kids from Venice, Ca.. [signing and singing a Pro-Obama song](#) .

Now granted, the video does come off a little too Cable Access, a little too touchy feely.. a little too middle school recital, a little too self important drama school teacher. But it is a cute little project.

Let's take a look at what some of the Fox Viewer comments were. Don't blame me for the spelling and grammar/ My bad spelling and grammar is not in italics. At writing this video has received over 6,000 comments.

Ron Adair:

Really, really creepy. In all my years of voting for president, I have never known anyone like Obama. Why he doesn't scare the hell out of American voters with his messianic complex, cult worship mentality of the unwashed masses, is amazing to me.

Eric I.

How chilling. It reminds me of the old newsreels and films of the "Hitler Youth".

Those who do not learn from history are condemned to repeat it. This is frightening when you consider how poor a grasp on history O'bama has shown.

This is a very dangerous time in the history of the USA. Think hard before you vote for this Liberal Facist.

ED:

CREEPY!!! What's next, are they all gonna join the OBAMA HEAVEN'S GATE cult & commit mass suicide if he doesn't win? Kind of wish that music teacher would!

WWWWWOOOOOOOWWWW, I didn't think I would see another HITLER in my lifetime, the only difference is this one has a different skin color.

This is exactly how Chavez got elected in Venezuela..He had children sing for him, said he would change the country, and said that he would help the middle class.....People please wake up this is scary!!!

Hili

clearly disturbing....using children who don't have the ability to reason the facts or their future, these adults, organization, obama and all concerned have gone too far.... but as so far the media has allowed this mania, it's no wonder. Americans... wake up! History has taught us to BEWARE of this craziness!!! wake up!

WOW! That's a tough room. It's truly amazing to me the amount of unnecessary hatred that is spewed on this message board. Way out of line, we're dealing with kids here folks! At a recital!. The Republican base likes to attack kids at a recital? These are same folks who love family values and American Idol and Little League.

AND FOX NEWS GIVES THROWS THEM TO MESSAGE BOARD SHARKS!

But of course, I have some videos of my own to share!
