

ROMANCE AND CIGARETTES is an absurdist blue collar melo-musical featuring a Rockstar cast. James Gandolfini, Susan Sarandon, Christopher Walken and a scorching Kate Winslet sing and dance their way through a tale of a dysfunctional family that is way beyond tuning up. While the characters (not the actors) have less than perfect voices and moves, it is all made up with an enthusiasm for life and music.

Director <u>John Turturro</u> ("Mac,"Illuminata") recently sat down with us to discuss the project. Topi cs include Bukowski, "The Catfight" between Kate Winslet and Susan Sarandon, singing underwater and what he thinks would be the ultimate Christopher Walken role.
