

Live from ALBANY-- Pro Beach Volleyball?

Written by Dave Howard

With the football season wrapped and baseball six weeks away... what could possibly fill the sports void? How about Pro Beach Volleyball in the Artic? In a case of life [imitating a commercial](#), the AVP is live today from ALBANY, NEW YORK!

With the nearby city of Redfield covered in [141 inches of snow](#) , and (at writing) the current temperature is 11 degrees (but feels like -2), what better time to strip down to the bikinis and boardshorts to duke it out.

My friends, this takes major cajones. Really HUGE ones, because come gametime the cajones will be reduced to the size of a teal Spanish peanut.

This year's pre-season event will feature eight AVP slammers; Jake Gibb, Casey Jennings, Jenny Johnson-Jordan, Todd Rogers, Sean Scott, Kerri Walsh, Rachel Wacholder, and Elaine Youngs. The teams will rotate partnerships until an eventual King and Queen Ice Dig will be named. Well, technically, it's King and Queen of the Beach, will they even be able to see the beach?
