

The REAL Miami Heat!

Last weekend's Miami AVP Open offered few surprises in the upper ranks. Team TerrorMisty May and Kerri Walsh reigned supreme. There were a couple of chinks in their lycra armor dropping one to EY and Nicole, but they held steady.

Rachel Wacholder and Tyra Turner got knocked out in the semifinals as did Team Crackpot ([Jen Ross and April Boss](#) formerly known as Team Spoiler

). It's just the first tourney folks are still getting warm. This weekend in Dallas will be a much different story.

My master predictions of a Boss/Ross Olympicbid will come to fruition. They took Angie Akers and Holly McPeak to advance to the semifinals. Earlier on they also swiped one from May/Walsh. 1,2,3,4 just like they were ranked.

However in the lower ranks there were plenty of shakeups. Too many folks write off the AVP earlier rounds. That's where the hot beach action really lives. A female beach volleyball player is shown from the waist up, smiling and looking towards the camera. She is holding a yellow and white volleyball in her right hand. She is wearing a white and black sports top. Her left hand is raised to her head, with her fingers running through her blonde hair. The background is a blurred outdoor setting, likely a beach or sports field.
